

9<sup>th</sup> March 2021

Dear Parents and Carers,

We are looking forward to welcoming back ALL our pupils on Monday 15<sup>th</sup> March.

I wish to extend our thanks to you for all your support, engagement and hard work over the last few months as we have offered a range of blended learning.

Over the next few days we will be spending a little time in school and on our TEAMS meetings reminding pupils about social distancing, hand sanitizing, the extended use of the outdoor environment and other measures we have in place to limit the possible transmission of Covid-19.

Whilst we are keen to get our pupils back to school, we are also conscious of the fact that a positive case of Covid-19 could mean a bubble of pupils have to isolate over the Easter holidays when hopefully restrictions will be lifted slightly, and we may be able to enjoy more outdoor spaces with friends. For this reason, I will be encouraging secondary age pupils to participate in the wearing of masks in indoor places in line with local authority and Welsh Government advise. This additional precaution will add another layer of protection should a positive case occur within school. Staff of course will also be wearing masks. These masks will be provided by the school. Pupils also need to wear masks during their time on transport.

In the spirit of community and supporting each other it is important that we all continue to do our bit to help ourselves and each other where we can.

If you have any questions or queries, please do not hesitate to contact me.

I thank you in anticipation for your support,

Kind regards and please stay safe,

Miss Ceri Hopkins

Pennaeth / Headteacher
